

The Masaru & Mitsuma Shimokon Scholarship Grant was gifted and established by Dr. Susumu Shimokon. He wanted to honor his parents for their many years of service to the Seattle Buddhist Church. His father, Masaru had served for more than 50 years and his mother, Mitsuma more than 40 years. We are very proud to have had such dedicated Betsuin members.

This scholarship is available to students who are currently attending and have completed one year of college with majors in medicine, nursing, engineering, or computer science. Dr. Shimokon determined all scholarship recipients receive only one award during their post high school education. All applicants or their parent(s) / guardian(s) must be a member of good standing of the Seattle Buddhist Church.
