*Kieshiki* applicant: Select and circle one of the *kanji* (Chinese character) listed on page 1 or 2, and its English meaning listed below the character. Rev. Harada will pair your selected character with another character to create your Buddhist name. For example, you might select "Kyo 教, teaching" and Rev. Harada might pair it with "Ki 喜, joy" and your Buddhist name would be "Ki-kyo" (Joy of the teachings.)
